### Fancy Ted's pizza on your wedding day?

We also cater externally, where we bring the full Ted's experience, to you. Ask a member of our team for more info, or drop us a message on Facebook/Instagram.

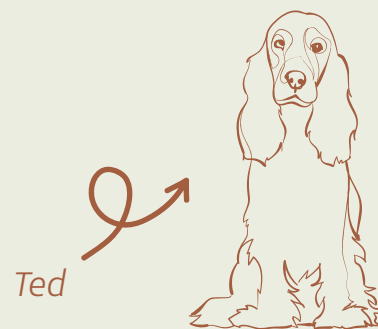

### Crafting Neapolitan style pizza is our passion.

Our story begins with Ted, our beloved and ever-hungry Spaniel, whose insatiable appetite for life (and pizza) inspired us to create something truly special.

At Ted's, we're all about authenticity. Our Neapolitan pizza is crafted using traditional methods and the finest ingredients.

From the crisp, blistered crust to the rich tomato sauce, every element has been carefully selected.

Every slice tells a story and every meal is a celebration of good food, good company, and the spirit of our beloved Ted.
